

LA BELLE VIE COLLECTION

BY CHRISTOPHER GUY

LA BELLE VIE COLLECTION

Come with us on a journey...

From the Art Deco splendour, art masterpieces and Modernist architecture of Paris, through the undulating fields of swaying lavender and scented hills of Provence, towards the dramatic jagged peaks of The Alps, and on to the captivating charm of the French Riviera, with its serpentine coastal roads lined with umbrella pines and a cerulean sea shimmering to the horizon...

Come with us as we unveil La Belle Vie, a beautiful lifestyle awaiting discovery within the latest Christopher Guy collection of exquisitely hand crafted furnishings.

Inspired by both the natural world and the creative minds of generations of artists, architects and designers... and rich with the craftsmanship and signature design features of Christopher Guy heritage, La Belle Vie sparkles with the promise of a spirited mood and the true luxury of enduring quality and style.

Emboldened profiles, streamlined forms, organic elements and playful embellishments present a fresh and exciting design perspective, united with the comfort and unparalleled artistry that sets Christopher Guy apart.

Come with us... and live La Belle Vie.
